

QA Test Cases - mygoconsulting.com

Test Case ID: TC-MYGO-001

Title: Test Contact Form Submission Without Filling Fields

Pre-condition: User is on Contact Us page

Steps:

1. Go to mygoconsulting.com
2. Click 'Contact'
3. Leave all fields blank
4. Click 'Submit'

Expected Result: Form should show validation error or block submission

Actual Result: Form appears to allow submission without any input (no client-side validation shown)

Status: Failed

Test Case ID: TC-MYGO-002

Title: Test 'Apply Now' Button on Careers Page

Pre-condition: User is on Careers page

Steps:

1. Navigate to Careers section
2. Click 'Apply Now' link under a job
3. Observe behavior

Expected Result: User should be taken to an application form with file upload

Actual Result: User is redirected to a mailto: link, not an on-site form

Status: Failed

Test Case ID: TC-MYGO-003

Title: Test Footer Social Media Icons for Clarity and Interaction

Pre-condition: User is on homepage and scrolls to footer

Steps:

1. Scroll to the footer
2. Hover over social icons
3. Attempt to click them

Expected Result: Icons should have hover states and clearly link to social media platforms

QA Test Cases - mygoconsulting.com

Actual Result: Icons are clickable but lack labels and hover cues

Status: Passed with UI improvement suggested
